3D Systems to Present at Needham Advanced Industrial Technologies Conference

ROCK HILL, South Carolina – July 17, 2013 – [3D Systems](#) (NYSE:DDD) announced today that it plans to present at Needham’s Advanced Industrial Technologies Conference on Tuesday, August 13, 2013 at 10:00 AM ET at The Needham Headquarters in New York, NY. Avi Reichental, President and CEO, will update investors on the operational and strategic progress the company is making.

Investors are invited to follow the real-time webcast of the presentation that will be available on 3D Systems’ website under the Investor Relations section at investor.3dsystems.com.

About 3D Systems Corporation

3D Systems is a leading global provider of 3D content-to-print solutions including 3D printers, print materials and on-demand custom parts services for professionals and consumers alike. The company also provides CAD modeling, reverse engineering and inspection software tools and consumer 3D printers, apps and services. Its expertly integrated solutions replace and complement traditional methods and reduce the time and cost of designing and manufacturing new products. 3D Systems products and services are used to rapidly design, communicate, prototype or produce real functional parts, empowering customers to create and make with confidence.
